

# X-FLIGHT 27

Easy access to the removable ice chest inside driver-side forward bulkhead.

| <b>X-FLIGHT 27<br/>WALK-THRU</b> |         |
|----------------------------------|---------|
| Hull Length                      | 27'7"   |
| Beam                             | 107"    |
| Approx. Weight w/Engine          | 4300    |
| Standard Fuel Capacity           | 100 gal |
| Seating Capacity                 | 12      |
| Transom Angle                    | 15°     |
| Hull Deadrise                    | 22°     |

Walk from bow to stern without a crawl or a climb. Total interior freedom. Giant 56" x 44" bowrider compartment.

Lots of engine options ranging from stock V-8 sterndrives to high performance.

Super easy boarding and just open the lid for fender storage.

Step into the inside lounge, you won't believe how spacious it is. Ample headroom for 6+ foot adults.

Feel like you're in total control. The X-Flight 27 helm has been engineered with ergonomic precision.
