

THE NEW GENERATION

ADVANTAGE

Seldom does a new hull concept come along that is destined to so profoundly change the landscape of family performance boats. But that is exactly what Advantage's new XFlight 29 has done, and in a very big way. It's roomy like a deckboat yet runs with the abandon of a pure bred performance machine. Although from the waterline it may appear to have an air-entrapment-like hull, it does not. The pickle-fork bow blends into an advanced stepped-vee bottom designed to more efficiently utilize today's modern V-8 single engine stern drive packages, delivering exceptional handling, stability and load-carrying capabilities. Advantage XFlight 29, a remarkable achievement in family sport boat innovation.

One additional year of factory engine warranty *at no extra cost.

XFLIGHT 29

MERCURY

#1 On The Water

Advantage recommends dependable and efficient MerCruiser Stern Drive options.

X-FLIGHT 29

X-FLIGHT 29 CUDDY/BOWRIDER	
Hull Length	29'7"
Beam	107"
Approx. Weight w/Engine	4550
Standard Fuel Capacity	110 gal
Seating Capacity	12-14
Transom Angle	15°
Hull Deadrise	22°

For cooler boating climates, the XFlight Cuddy/Bowrider model is your answer thanks to a spacious mid-cabin with ample headroom.

Need a little rest? Both the Cuddy/Bowrider and Walk-Thru models provide a comfortable port side sleeping berth.

Wraparound comfort in the spacious bowrider compartment, designed to accommodate both adult and child size passengers.

Wide aft lounge, flat motor hatch for tanning and port side transom access to the molded swim platform makes the X-Flight a multi-talented family oriented performance sportboat.

The new XFlight 29 is also available in a mid-cabin/bowrider version. Now you can have deckboat roominess with cruiser comfort.

MERCURY #1 On The Water

X-FLIGHT 29 WALK-THRU	
Hull Length	29'7"
Beam	107"
Approx. Weight w/Engine	4400
Standard Fuel Capacity	110 gal
Seating Capacity	12-14
Transom Angle	15°
Hull Deadrise	22°

How's this for easy dockside access? Boarding and debarking for all family members has never been more convenient. Full cockpit access is afforded with walk-thru ease.

Thanks to its exclusive new vee-flight hull design, the X-Flight 29 is highly compatible with a variety of V-8 Mercury power options including high performance packages.

It's a driver's dream boat. Bold new instrumentation console engineered for driver comfort and control. Unobstructed line-of-sight vision to all gauges.
